Booklets received after this date may be ignored

# Section 1

## Points for your scores in the major rounds

### Target - Best 12-dozen arrow Target rounds shot during the year

List the TEN scores you have shot in 12-dozen arrow Rounds (York, Hereford, Bristol 1 – 5, Gentlemen’s or Ladies’ FITA, Metric 1 – 5), that will give you the most JAWS points.

- Only scores from your age group rounds or higher should be used
- Scores from Club Target Days may be used

- **First use this table to calculate the points for your score:-**

York, Hereford, Bristol rounds	Gents or Ladies’ FITA, or Metric 1 – 5
1250 –70	1330 -70
1200 –60	1270 –60
1150 –45	1220 –45
1100 –30	1170 –30
1050 –25	1120 –25
1000 –20	1070–20
900 –15	970 –15
800 –12	870 –12
700 –10	790 –10
600 –8	670 –8
500 –6	570 –6
400 –4	480 –4
300 -2	370 –2
200 –1	270–1

- **Now, add Bonus points**

- **Add 10 points** if you shot a round above your age group. 10 points for each level – e.g. A boy under 12 normally shooting a Bristol 4 may claim 20 extra points for shooting a Bristol 2, and 40 for a York.
- **Add 15 points** to the total for a round if you shot it in the Longbow
- **Add 10 points** to the total for a round shot in a competition or tournament

Date	Round	Event	Score	Score points	Bonus points	Total

# Section 1

## Points for your scores in the major rounds

### Field - Best rounds shot during the year

List the TEN scores you have shot in "Marked", "Unmarked", and "Mixed" Field rounds that will give you the most JAWS points. Scores from Club Target Days may be used

- **First use this table to calculate the points for your score:-**

FITA Marked and FITA Unmarked and FITA Mixed rounds
320 -65
300 -50
280 -40
260 -30
240 -25
220 -20
200 -15
180 -12
160 -10
140 -8
120 -6
100 -4
80 -2

- **Now, add Bonus points**
  - Add 15 points to the total for a round if you shot it in the Longbow, Barebow or Traditional Bow
  - Add 10 points to the total for a round if you are Under 12 shooting any of the following bow styles from the Blue pegs: Recurve; Barebow; Traditional; Longbow; Compound Limited; Compound Barebow; Compound Unlimited
  - Add 10 points to the total for a round if you are Under 15 shooting either of the following bow styles from the Red pegs: Recurve; Compound Limited.
  - Add 10 points to the total for a round shot in a competition or tournament

## Points for your scores in the major rounds

### Clout - Best Double Clout rounds shot during the year

List the TEN scores you have shot in Double Clouts this year that will give you the most JAWS points. Scores from Club Target Days may be used

- **First use this table to calculate the points for your score:-**

Double Imperial Clout Score	JAWS Points	Double FITA Clout score	JAWS Points
250	-60	350	-60
225	-55	325	-55
200	-50	300	-50
175	-45	275	-45
150	-40	250	-40
125	-35	225	-35
100	-30	200	-30
75	-25	175	-25
50	-20	150	-20
25	-10	75	-10
10	-5	25	-5

- **Now, add Bonus points**

- **Add 15 points** to the total for a round if you shot it in the Longbow
- **Add 10 points** if you shot a distance above your age group. 10 points for each level – e.g. A boy under 12 normally shooting at 80 yards may claim 20 extra points for shooting at 120 yards.
- **Add 10 points** to the total for a round if it is in a Competition or Tournament

Date	Round	Event	Score	Score points	Bonus points	Total

## Section 2

## Points for entering tournaments

You may use Tournaments already used in Section 1

### National Tournaments and competitions

		Junior	Adult	
<b>Points for Entering</b>	National Outdoor Championships (including Clout and Field)	20	30	
	Junior FITA Star	30		
	National Indoor Championships	15	20	
	July Nationals	15		
	November Challenge	15		
<b>Final Position Points</b>		<b>1st</b>	<b>2nd</b>	<b>3rd</b>
	Junior National	30	20	10
	Adult National	200	120	60

- Entry points only are to be claimed for the July Nationals and November Challenge
- If you claim points for entering adult levels, Boys must have shot a York or a Gents FITA, and Girls a Hereford or Ladies' FITA
- At Team Tournaments, only entry points may be claimed
- If you claim adult result points, your position must be from the adult list. If you claim 1st place, you must have beaten everyone! Indoor Tournaments are the same. You claim points for the section entered, e.g. at a regional Championship a girl must beat every lady to take 100 points – otherwise it's 20 for being 1st in her Junior section
- Note: FITA Stars are Regional Tournaments

Date		Final Position	Points for Position	Points for Entering	Total points
	British Target Champs				
	Junior National Champs				
	Junior FITA Star				
	Junior Indoor Champs				
	National Indoor Champs				
	National Flight Champs				
	National Clout Champs				
	All British Field Champs				
	UK Junior Field Champs.

# Section 3

## Points for Classifications and Handicap Improvement

### 1. Target Classification Reached

Extra points are gained by archers who reach standards above their own GNAS age group . Only one claim per year per bow type you have shot– choose the ones that give you most JAWS points.

Class	At your age group	Next above	Next above	Next above
3rd	10	20	30	40
2nd	20	30	40	50
1st	30	40	50	60
Junior Bowman	40	50	60	70
	<b>Under 12</b>	<b>Under 14</b>	<b>Under 16</b>	<b>Under 18</b>
J.M.B.	100	90	80	70
Bowman	150	135	120	100
M.B.	200	180	160	140
G.M.B.			250	200

What Target Classification have you reached by the end of the year? (State bow type)	If this is above your age group, state how many sections higher	Points awarded

**Total points for GNAS Target Classifications**

### 2. Field Classification Reached

Only one claim per year per bow type you have shot– choose the ones that give you most JAWS points.

	Junior	Senior
3rd Class	25	50
2nd Class	50	75
1st Class	75	100
Bowman	100	150
Master Bowman	125	175
Grand Master Bowman	150	200

What Classification have you reached by the end of the year? (State bow type)	Senior or Junior?	Points awarded

**Total points for Field Classifications**

### 3. Handicap Improvement

**Starting Handicap** Experienced archers – put your handicap on the 1st of January, based on your best three scores from last year.

New archers – calculate your starting handicap from your first three scores shot this year

**Year end handicap** Your handicap at the end of the year

**Improvement** The difference between these two

**Points** Take 2 JAWS points for each point of handicap improvement achieved

**You may have points for each bow type you have shot**

Starting Handicap (State bow type)	Year end Handicap	Improvement	Points

**Total points for Handicap Improvement**

**Total Points for Section 3**
